

100 *The Renowned History of*  
Had Mankind half the Sagacity of  
*Jumper*, they would guard against Ac-  
cidents of this Sort, by having a pub-  
lic Survey, occasionally made of all  
the Houses in every Parish (especially  
of those, which are old and decayed)  
and not suffer them to remain in a  
crazy State, 'till they fall down on  
the Heads of the poor Inhabitants,  
and crush them to Death. Why, it  
was but Yesterday, that a whole  
House fell down in *Grace-church-street*,  
and another in *Queen-street*, and an  
hundred more are to tumble, before  
this Time twelve Months; so Friends  
take Care of yourselves, and tell the  
Legislature, they ought to take Care  
for you. How can you be so careless?  
Most of your Evils arise from Care-  
lessness and Extravagance, and yet you  
excuse yourselves, and lay the Fault  
upon

*Mrs. MARGERY TWO-SHOES. 101*  
upon Fortune. Fortune is a Fool,  
and you are a Blockhead, if you put  
in in her Power to play Tricks with  
you.

*Yours,*

*The MAN in the MOON.*

You are not to wonder, my dear  
Reader, that this little Dog should  
have more Sense than you, or your  
Father, or your Grandfather.

Though God Almighty has made  
Man the Lord of the Creation, and  
endowed him with Reason, yet in  
many Respects, he has been altoge-  
ther as bountiful to other Creatures  
of his forming. Some of the Senses  
of other Animals are more acute  
than ours, as we find by daily Expe-  
rience. You know this little Bird,

G 3

*sweet*
